

# #Follow The Star

With some help from our neighbours we've created a virtual 'starry night' through our community. Here is a map of our neighbourhood with each circle indicating the approximate location of a star. Can you find them all?

- 1 Go to the **START** on the map and walk the route, searching for 12 stars.
- 2 Each star will contain a letter. If you find all the stars, unjumble the letters to find a two-word phrase.
- 3 When you reach the end, take a photo of you/your team under the giant star on the tower at St Stephen's and send it to us at [comms@ststephens.org.uk](mailto:comms@ststephens.org.uk) by **midday on 3rd January**, including the mystery two-word phrase in the email.
- 4 We'll choose six finishers at random, announcing the winners at our New Year service at **10.30am on 5th January**. They will each receive a starry gift.

**Registered Charity Number: 1132563**

St Stephen's is part of The Church of England and The Diocese of Rochester.

Our stars are silver and will be visible from the footpath, such as in a window, porch, etc (so please don't go rummaging in people's gardens!!) Each star contains a letter. If you find all the stars, unjumble the letters to spell a two-word phrase that relates to the nativity story.

Please be careful when you search for stars as the roads can be busy. We have marked **Crossings** for you to use.
